Bifluxes for Prunéřov II power plant

Evaporator blocks

Headers for Mělník power plant

Frames for hot-forming ovens

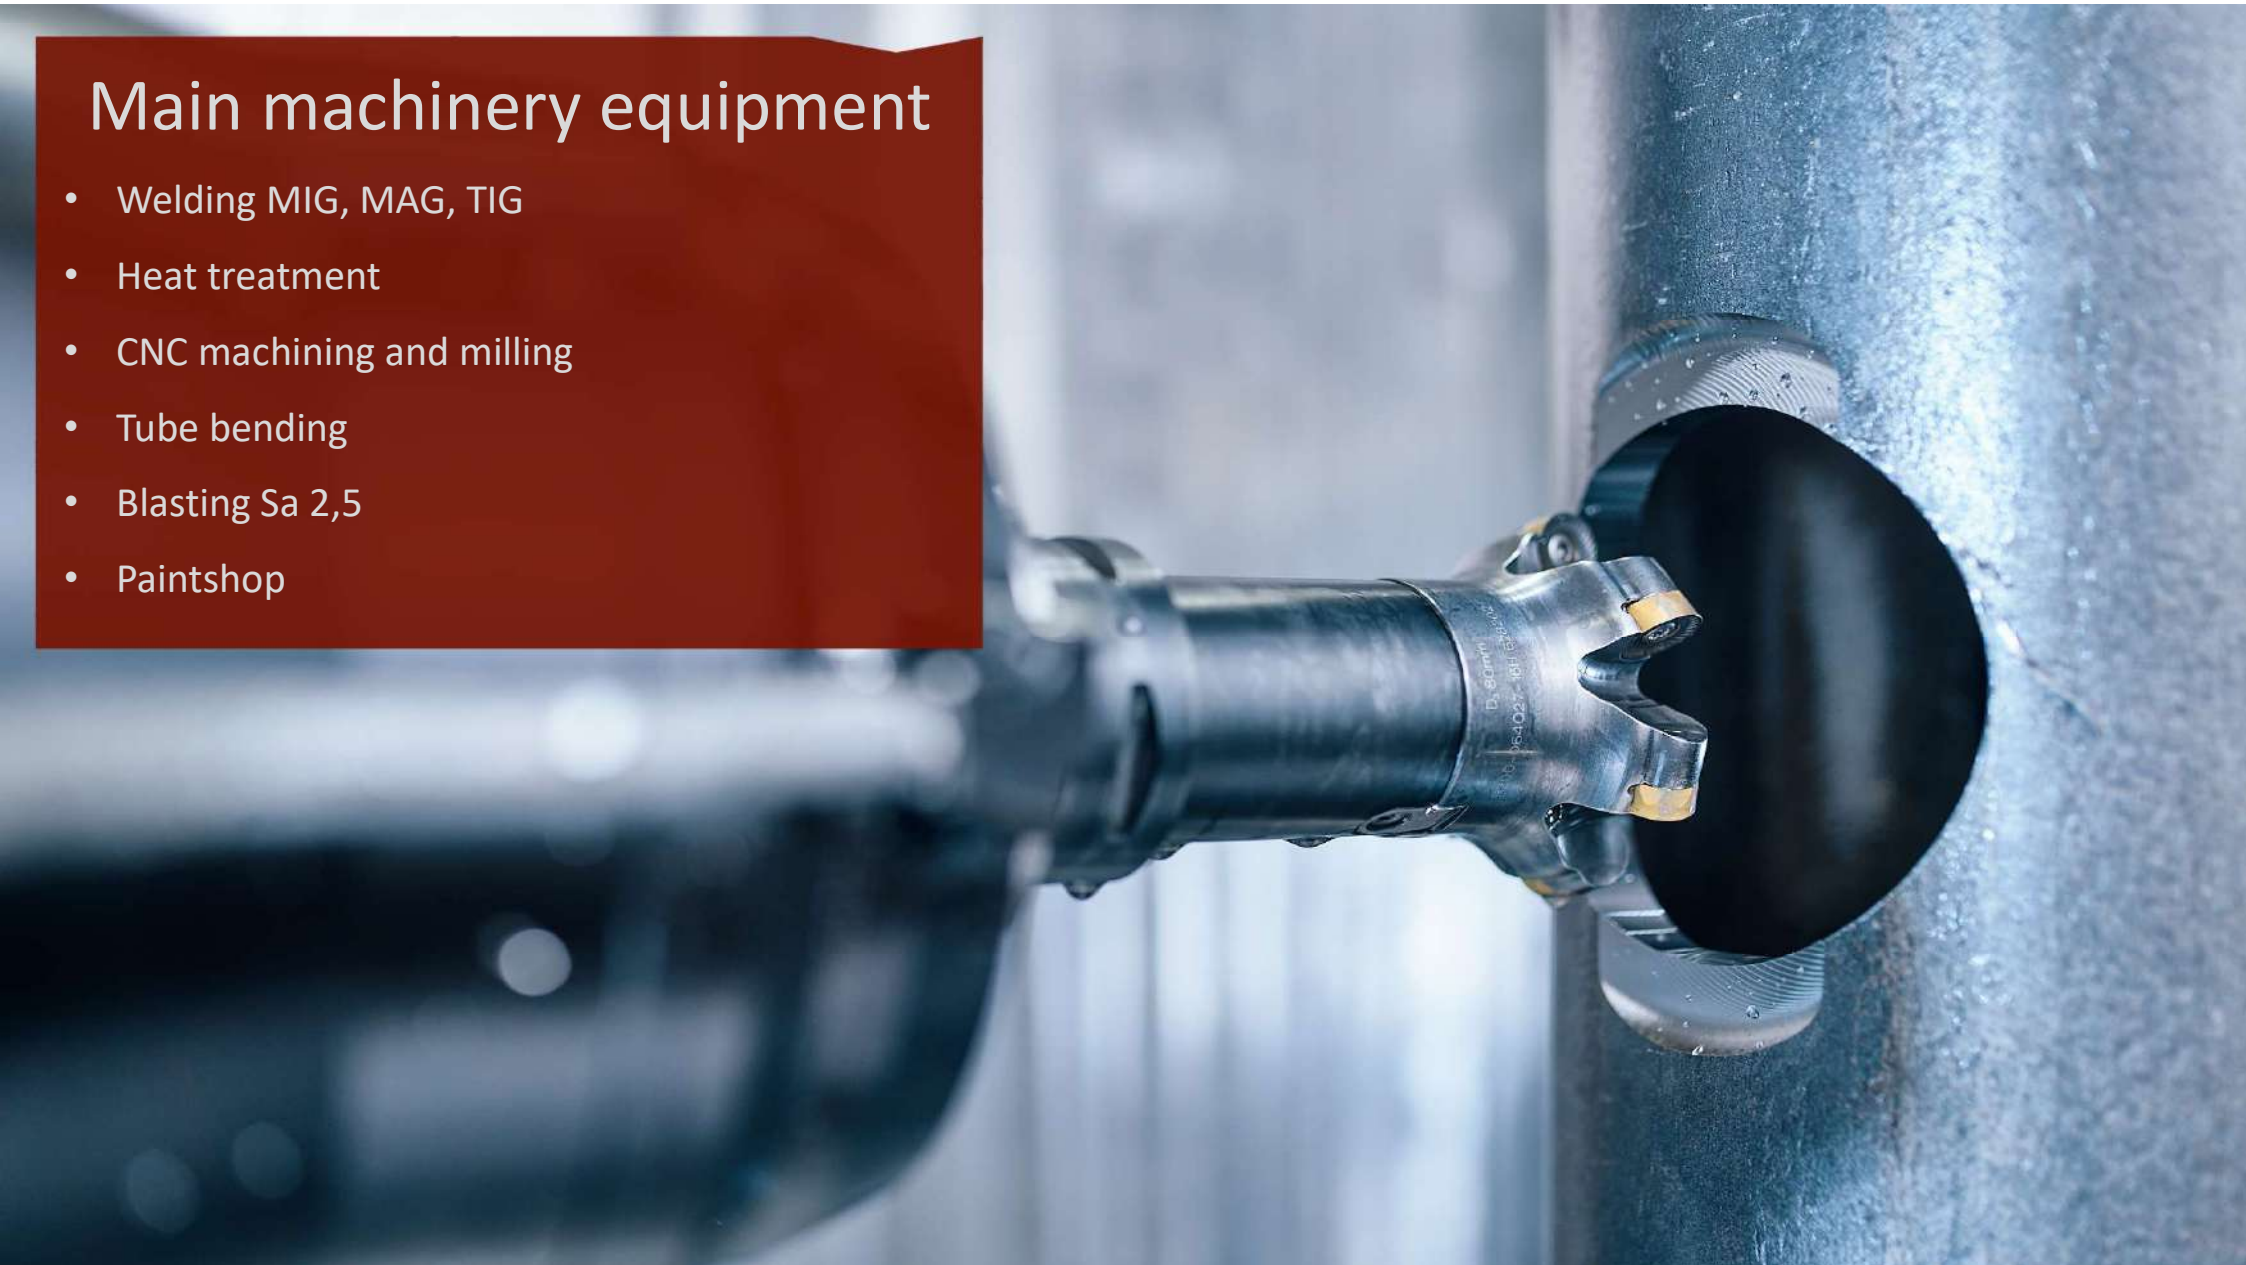

Certifications

- Integrated Management System (IMS)
ISO 9001:2015, ISO 14001:2015, ISO 45001:2018
- Certification
for producing, assembling, reconstructing, repairing,
revising and testing pressure devices in the K1 range:
steam and liquid boilers in 1st, 2nd, 3rd and 4th class
and for pressure vessels, stable groups A, B
- AD 2000 – Merkblatt HP0
- Welding process in accordance to ČSN EN ISO 3834-2:2006
- Welding supervision in accordance to ČSN EN ISO 14731

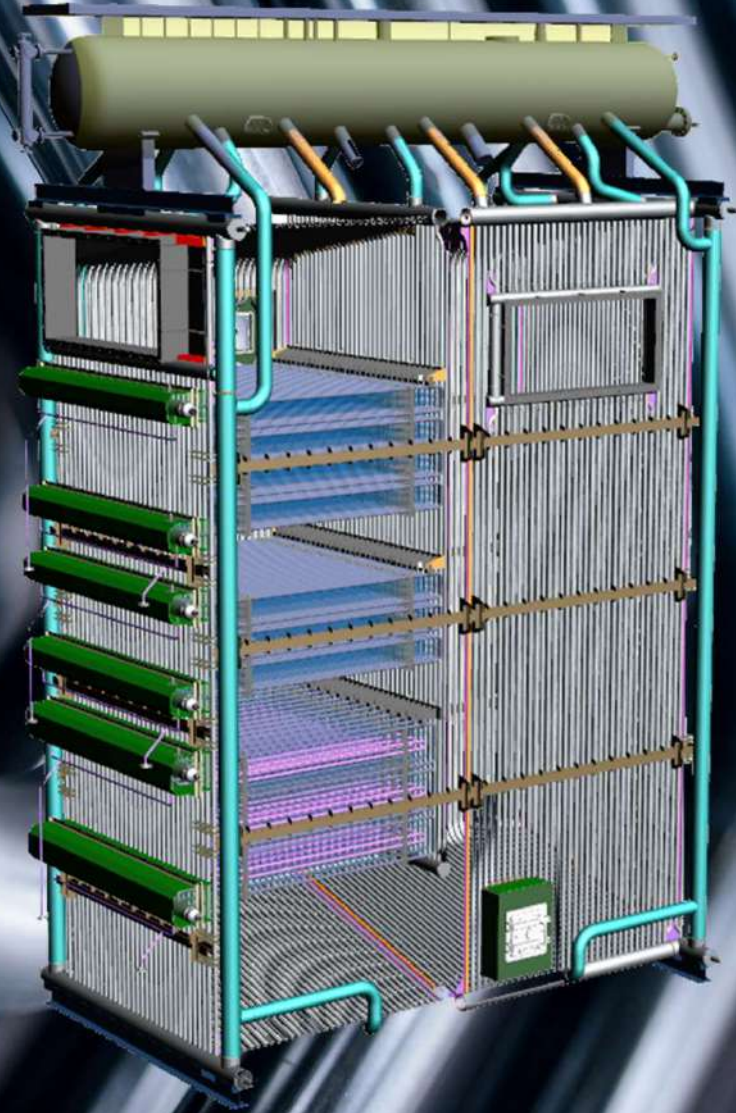

Main machinery equipment

- Welding MIG, MAG, TIG
- Heat treatment
- CNC machining and milling
- Tube bending
- Blasting Sa 2,5
- Paintshop

Engineering

- Construction and technology (4)
Solid Edge, NX Cam
- Quality and documentation (4)
- Welding engineer
- Nondesctructive testing
VT, PT, UT, MT, RT
